8 OZ. BRONZE 3-INCH TABLE MEDALLION

As part of the celebration of the 35th Annual Portland Marathon as well as to commemorate the Bicentennial of the Lewis & Clark Expedition of 1804-1806, the Portland Marathon created a commemorative 3-inch bronze table medallion. This finely crafted medallion weighs almost 9 ounces and makes a great memento and an excellent display piece or desk top paperweight.

The front or obverse of the medallion is a replica of the Lewis and Clark Centennial Exposition. It shows a Victorian version of Lewis and Clark with Lady Liberty at the moment the two explorers view the Pacific Ocean for the first time.

The reverse of the Medallion reproduces five images used on earlier Portland Marathon finisher medals. These include depictions representing the Louisiana Purchase and Lewis and Clark as they

appeared on the 1904 and 1905 US Gold dollar—the only two headed coin ever struck by the US Mint. Also represented are Sacagawea and a view of the Centennial Poster that included the old road which is now part of the marathon course. The seals of the City of Portland and the State of Oregon are also depicted along with the outline of the State of Oregon with the Portland Marathon logo and the years 1972-2006 representing the thirty five years of the event. The medallion is in antique bronze and is about 1/4 of an inch in thickness.

These medallions were originally created by the Portland Marathon as favors for committee members, sponsors and other honored guests attending the Portland Marathon Dinner held in

November 2006. A few remain and it was decided to offer them on a first come—first served basis to the former finishers and friends of the Portland Marathon. The price is \$45.00 plus shipping and handling. Each medallion comes in a special presentation box with a wooden display stand. To order, fill out the form below and mail along with your payment (Visa/MC, check or U.S. dollar money order) to the address shown.
