

Marathon Start: Getting There

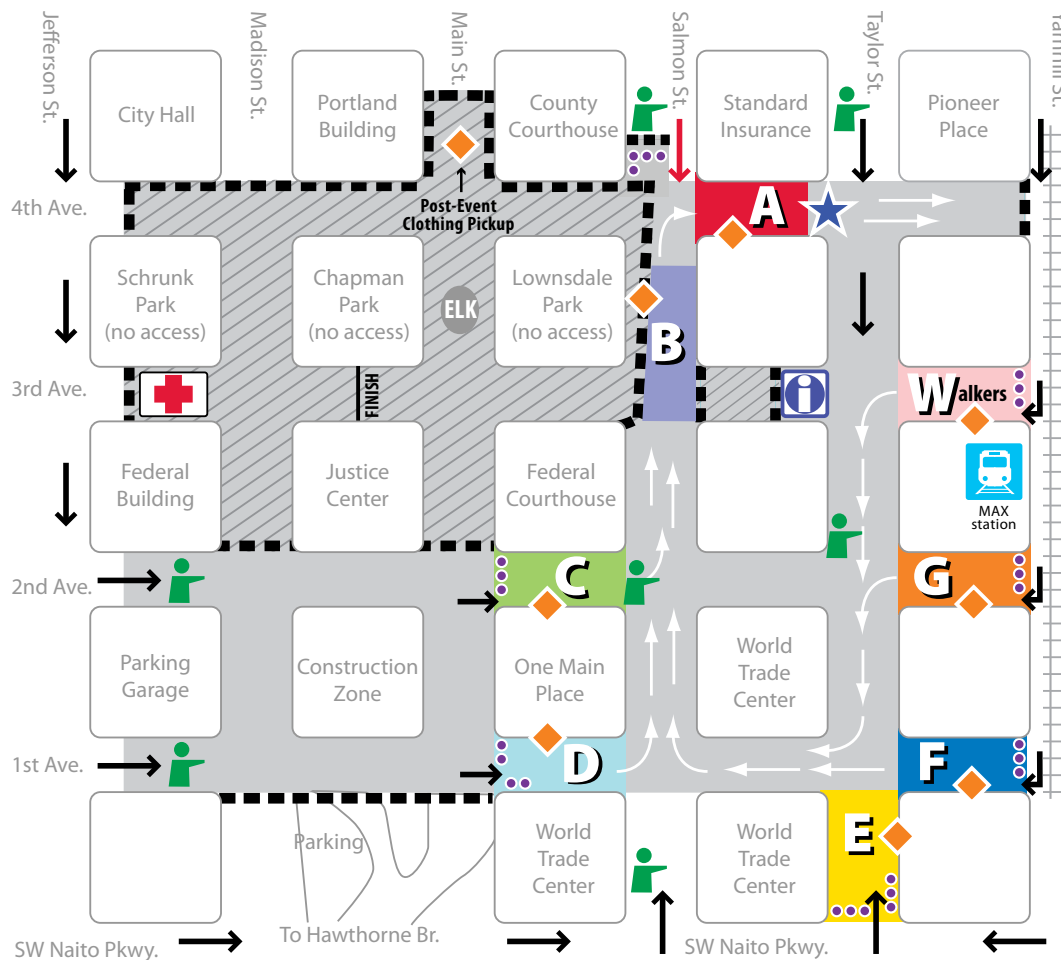

The Portland Marathon Run/Walk starts at 7:00 a.m. (wheelchairs 6:59 a.m.) on SW 4th Ave. at SW Taylor St. We've adopted a new formula for the start lineup, which is explained below and on the map.

Participants will enter the start area at one of the designated entry points indicated by the black arrows on the map below, then proceed to the corral corresponding to the letter on their bib (based on their predicted finish time). Guides will be available to direct participants to the correct corral. Corrals will be called to the start in waves in

alphabetical order beginning with corral A. Please be patient and adhere to the corral protocol so the event can get off to a smooth start. Remember, your time will be accurate because of the timing tag. Be sure your timing tag is attached to your shoe per the instructions given. **Remember: NO TAG—NO TIME!**

Clothing storage drop points will be located in each corral. Look for the signs. Port-a-potties likewise will be located in each corral (see map).
